

## ABOUT US

PME Investimentos - Sociedade de Investimento, S.A., is an investment management company of the Government Corporate Sector, with a 100% public capital and subject to the supervision of the Bank of Portugal.

## OUR MISSION

To provide portuguese companies with best in class financing conditions in line with international markets.

## HOW?

PME Investimentos manages dedicated funds and public policy vehicles that support companies by investing across the capital structure, in equity and credit.

## OUR VISION

Is to continue to promote entrepreneurship, innovation, competitiveness and internationalization of the Portuguese business sector.
